## Unique Features

Islam is the religion which is followed by over 1.3 billion people across the world and is the second largest religion on earth, as well as being the world's fastest growing religion.

The Islam Exhibition highlights the core beliefs which are part of the Islamic faith, the message of Islam and also the rich history and contribution Islam has made to humanity.

This magnificent and eye-catching exhibition whisks the visitor away to explore the origins of Islam, its tenants and how Islam continues to help shape the modern world today. It also allows people to look back at the glorious past history of Islam and its rich contribution to the sciences.

This Exhibition Illustrates:

*The Oneness of Allah, and the Names and Attributes of Allah.*

*The Creation.*

*The Five Pillars of Islam.*

*Basic Beliefs of Islam.*

*The Message of Islam.*

*The Quran.*

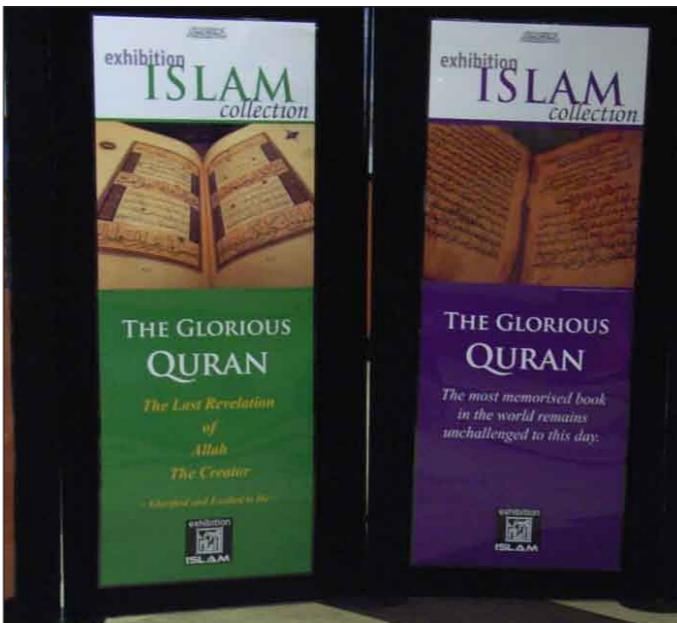

*The Prophets.*

*History of Islamic Science.*

*History of Islam in Britain.*

*Islamic Art and Calligraphy.*

*Islamic Architecture.*

Report: The Islam Exhibition
